

SUBJECT INDEX

- Albumin-Serum/Anti-D. Rhesus Typing with - and Dextran/Anti-D 55
- Alkali-Resistant. - Haemoglobin 126
- Anaemia. Chronic Autoimmune Haemolytic - with Positive Donath-Landsteiner Reaction 192
- Antigenic. Studies on the - Structure of Treponemes Especially the Polysaccharid Fraction 103
- Antihæmophilic Globulin. Production of Cryoprecipitated - 49
- Antioviulatory. The - Effect of Ethinyl Oestradiol in Sequential Therapy 161
- Arterial Pressure. - in a Faroese Fishing Community 82
- Autografts. Biology of Skin - 135
- Autoimmune. Chronic - Haemolytic Anaemia with Positive Donath-Landsteiner Reaction 192
- Basophilic Leucocytes. - in Delayed Hypersensitivity 249
- Bladder Tumours. Intracavitary Radium Therapy of - 21
- Blood Coagulation. Initiation of - 219
- Blood Pressure. The Stability of the Diastolic - in Arterial Hypertension 77
- Brachial Plexus. Obstetric Lesion of the - 267
- Breast Carcinoma 239
- Carbimazole. Thyrotrophin Test and - Suppression Test in Hypometabolic Patients without Thyrogenic Myxoedema 183
- Carbimazole Suppression Test. Thyrotrophin Test and - in Hypometabolic Patients without Thyrogenic Myxoedema 183
- Catheterization. Transseptal - of the Left Side of the Heart 33
- Child Psychiatric Department. Pneumo-Encephalography of Patients in a - 210
- Classification. A Survey of Pregnancy Wastage, Perinatal Mortality and Maternal Mortality, and a Suggestion for a Uniform International - 10
- Coagulability. Thrombocytes and - in Diabetics.. 244
- Cold Agglutin. The - Syndrome 138
- Connective Tissue. Role of - in Electrolyte Metabolism 130
- Cryoprecipitated. Production of - Antihæmophilic Globulin 49
- Delayed Hypersensitivity. Basophilic Leucocytes in - 249
- Dextran/Anti-D. Rhesus Typing with Albumin-Serum/Anti-D and - 55
- Diabetics. Thrombocytes and Coagulability in - .. 244
- Diastolic. The Stability of the - Blood Pressure in Arterial Hypertension 77
- Dietetic Treatment. Primary Hyperlipidaemia and - 27
- Digitalization. Prophylactic Preoperative - in Old Surgical Patients 38
- Donath-Landsteiner. Chronic Autoimmune Haemolytic Anaemia with Positive - Reaction 192
- Drinking Water. Examination of Water Supply and - 273
- Drugs. The Kidney in Rheumatoid Arthritis and the Effect of - on Renal Function 227
- Drusen. - of the Optic Disk 293
- Electrolyte Metabolism. Role of Connective Tissue in - 130
- Ethinyl. The Antioviulatory Effect of - Oestradiol in Sequential Therapy 161
- Excretion. The Prognostic Importance of Oestradiol - in Pre-Eclampsia 165
- Extradural. - Spinal Cysts 46
- Familial Periodic Paralysis. Direct Transition from Hypokalaemic to Hyperkalaemic Paralysis During Potassium Treatment of -. A Case 157
- Flavobacterium Meningo-Septicum. A Clinical Analysis of 10 Cases of Postoperative Infection with - 1
- Flavobacterium Meningo-Septicum. An epidemiological Study of Hospital Infection with - 6
- Glomerulus. The Ultrastructure of the Normal Human - 281
- Granulation Tissue. Wound Healing and - Formation 288
- Haemoglobin. Alkali-Resistant - 126
- Haemolytic. Chronic Autoimmune - Anaemia with Positive Donath-Landsteiner Reaction 192
- Heart. Transseptal Catheterization of the Left Side of the - 33
- Heart Surgery. 20 Years of Operations on the Heart and Central Vessels 84
- Herpes Zoster. - in Hodgkin's Disease 68
- Hodgkin's Disease. Herpes Zoster in - 68
- Hospital Infection. An Epidemiological Study of - with Flavobacterium Meningo-Septicum 6
- Hyperkalaemic. Direct Transition from Hypokalaemic to - Paralysis During Potassium Treatment of Familial Periodic Paralysis. A Case 157
- Hyperlipidaemia. Primary - and Dietetic Treatment 27
- Hypersensitivity. Basophilic Leucocytes in Delayed - 249
- Hypertension. Primary Pulmonary - 59
- Hypertension. The Stability of the Diastolic Blood Pressure in Arterial - 77
- Hypertensive Vascular Disease. The Pathogenesis of - 259
- Hypokalaemic. Direct Transition from - to Hyperkalaemic Paralysis During Potassium Treatment of Familial Periodic Paralysis. A Case 157
- Hypometabolic. Thyrotrophin Test and Carbimazole Suppression Test in - Patients without Thyrogenic Myxoedema 183

Infection. A Clinical Analysis of 10 Cases of Post-operative - with <i>Flavobacterium Meningo-Septicum</i>	1	Potassium Treatment. Direct Transition from Hypokalaemic to Hyperkalaemic Paralysis During - of Familial Periodic Paralysis. A Case	157
International Classification. A Survey of Pregnancy Wastage, Perinatal Mortality and Maternal Mortality, and a Suggestion for a Uniform - Isoantibody. Post-Transfusion Purpura Caused by a Specific Platelet -	10	Pre-Eclampsia. The Prognostic Importance of Oestriol Excretion in -	165
	41	Pregnancy. Leucocyte Antibodies and -	123
Kidney. The - in Rheumatoid Arthritis and the Effect of Drugs on Renal Function	227	Pregnancy Wastage. A Survey of - Perinatal Mortality and Maternal Mortality, and a Suggestion for a Uniform International Classification	10
Landry-Guillain-Barré Syndrome. The -	151	Preoperative. Prophylactic - Digitalization in Old Surgical Patients	38
Leucocyte Antibodies. - and Pregnancy	123	Prophylactic. - Preoperative Digitalization in Old Surgical Patients	38
Leucocyte. - Migration in "Skin Windows" in Man	254	Psychoneuroses. -	119
Lung Diffusing Capacity. -	142	Puerperal Uterine Inversion. On the Pathogenesis of -	168
Major Surgery. Renal Function in -	198	Pulmonary Hypertension. Primary -	59
Malignant Melanoma. The - of the Skin	229	Purpura. Post-Transfusion - Caused by a Specific Platelet Isoantibody	41
Maternal Mortality. A Survey of Pregnancy Wastage, Perinatal Mortality and -, and a Suggestion for a Uniform International Classification	10		
Melanoma. The Malignant - of the Skin	229	Radium. Intracavitary - Therapy of Bladder Tumours	21
Micturition-Cysto-Urethrography. - in Infancy and Childhood	71	Renal Function. - in Major Surgery	198
Myxoedema. Thyrotrophin Test and Carbimazole Suppression Test in Hypometabolic Patients without Thyrogenic -	183	Respiratory Circuit. A Clean -	195
Niemann-Pick's Disease. -	62	Rhesus Immunized. Obstetric Complications in Previous Pregnancies of - Patients	98
Normal Human Glomerulus. The Ultrastructure of the -	281	Rhesus-Typing. - with Albumin-Serum/Anti-D and Dextran-Anti-D	55
Obstetric Complications. - in Previous Pregnancies of Rhesus Immunized Patients	98	Rheumatoid Arthritis. The Kidney in - and the Effect of Drugs on Renal Function	227
Oestradiol. The Antioviulatory Effect of Ethinyl - in Sequential Therapy	161		
Oestriol. The Prognostic Importance of - Excretion in Pre-Eclampsia	165	Sarcoidosis. Epidemiology of - in Denmark	178
Optic Disk. Drusen of the -	293	Sequential Therapy. The Antioviulatory Effect of Ethinyl Oestradiol in -	161
Paralysis. Direct Transition from Hypokalaemic to Hyperkalaemic - During Potassium Treatment of Familial Periodic Paralysis. A Case	157	Skin. Biology of - Autografts	135
Perinatal Mortality. A Survey of Pregnancy Wastage - and Maternal Mortality, and a Suggestion for a Uniform International Classification ..	10	Skin Autografts. Biology of -	135
Platelet. Post-Transfusion Purpura Caused by a Specific - Isoantibody	41	Skin Cancer. -	170
Pneumo-Encephalography. - of Patients in a Child Psychiatric Department	210	"Skin Windows". Leucocyte Migration in -	254
Polysaccharid. Studies of the Antigenic Structure of Treponemes Especially the - Fraction	103	Spinal Cysts. Extradural -	46
Postoperative. A Clinical Analysis of 10 Cases of - Infection with <i>Flavobacterium Meningo-Septicum</i>	1	Sudden, Unexpected Infant Death. - in Copenhagen	109
Post-Transfusion. - Purpura Caused by a Specific Platelet Isoantibody	41		
		Thrombocytes. - and Coagulability in Diabetics ..	224
		Thyrotrophin Test. - and Carbimazole Suppression Test in Hypometabolic Patients without Thyrogenic Myxoedema	183
		Transseptal. - Catheterization of the Left Side of the Heart	33
		Treponemes. Studies of the Antigenic Structure of - Especially the Polysaccharid Fraction	103
		Tuberculosis. The Danish Approach to - Control..	174
		Ultrastructure. The - of the Normal Human Glomerulus	281
		Vanil mandelic Acid. The Excretion of - in the Urine of Children	17
		Water Supply. Examination of - and Drinking Water	273
		Wound Healing. - and Granulation Tissue Formation	286

INDEX OF AUTHORS

Bang, H. O.	27, 161	Lorenzen, S. E.*)	293
Bentzon, M. W.	77	Lou, H. O. Christensen	62
Berthelsen, H. G.	161	Lygonis, C.	82
Bichel, J.	68		
Bichel, P.	192	Mackeprang, B.	77
Boesen, U.	210	Marckmann, A.*)	135
Boye, E.	33	Müller, K.	98, 165
Brøckner, J.	38		
Buus, J. G.	161	Nielsen, J. C.	165, 168
		Nielsen, O. H.	71
Christiansen, J.	38		
Christiansen, Aa. Hein*)	103	Olesen, H.*)	138
		Ollendorff, P.*)	219
Drachmann, O.	55	Olsen, G.*)	229
		Olsen, H.	1, 6
Felbo, M.	168		
Fenger, H. J.	168	Payne, P. G.	178
Friis, T.	183	Pedersen, L.	59
		Pedersen, L. Mølsted	71
Gammelgaard, F.	27	Pedersen, M. Fog	41
Geertinger, P.*)	109	Pærregaard, P.	62
Giese, J.*)	259		
Gjørup, L.*)	267	Ravn, H.	151
Glavind-Kristensen, S.	49		
		Schiødt, T.*)	239
Hansen, O. Hart	41	Secher, O.	84
Horwitz, O.	174, 178	Sell, A.	21
Husfeldt, E.	84	Sestoft, L.	157
		Skall-Jensen, J.	33
Jacobsen, E.*)	119	Svejgaard, A.	41
Jensen, J.	71	Sølvsteen, P.*)	142
Jensen, K. G.*)	123	Sørensen, A. W. S.*)	227
Jensen, M. Scharling	170		
Jensen, P.*)	273	Terslev, E.	17
Jørgensen, F.*)	281	Thaysen, E. Hess	27
Jørgensen, O.*)	288	Therkelsen, F.	81
Jørgensen, S.	195	Thorling, K.	68
		Trolle, D.	10
Kissmeyer-Nielsen, F.	41, 49		
Kjeldsen, J.	98	Valdorf-Hansen, F.*)	244
Kristoffersen, K.*)	126	Wilbek, E.	178
Kronborg, O.	46, 198	Wolf-Jürgensen, P.*)	249
		Wulff, H. R.*)	254
Langgaard, H.*)	130		
Laursen, N. P. Réthoré	49	Aarkrog, T.	210

*) This work is a survey based on a thesis published in 1966 or 1967.
